## Teaching

- [BC3732](#): Fire Engineering and Plumbing Services
- [BC3732P](#): Fire Engineering and Plumbing Services
- [BC4748](#): Design Project
- [BC4748P](#): Design Project
- [BC4788](#): Design Project
- [CA3732](#): Fire Engineering and Piped Services
- [CA4748](#): Design Project
- [CA4750](#): Building Services Design Practice
- [CA4790](#): Architectural Engineering Design Practice
- [CA5238](#): Building Energy and Day Lighting
- [CA6613D](#): Strategic Operation and Maintenance
- [CA8004](#): Postgraduate Seminar
- [CA8613D](#): Strategic Operation and Maintenance

## Research Interests/Areas

Solar radiation and daylighting, energy-efficient building designs, energy conservation in buildings and building energy simulations
